

Vonage Pharma

Nutrition

Vonage Pharma

Vonage Pharma (Former PluviaEndo) is a multinational pharmaceutical company with its headquarter located in Istanbul, Turkey with unique molecules & Know-How. Our portfolio contains several specific APIs & Finished Dosage form medications in the field of various therapeutic categories (Addictions, Analgesics, Anti Diabetic, CNS, Gastrointestinal, Nephrology, Respiratory and Supplements) as well as Opioid medications & Nutraceutical Supplements.

Since Manufacturing/Procurement of our products are being done by ourselves and based on our own specific Know-How from A to Z, therefore, we are able to support you in documentation, formulation & scientific matters, in addition to supplying you with unique quality products at unrivaled prices (including different types of APIs and Finished dosage Forms and Solvents).

PARTNERSHIP

Partnership Models with Vonage Pharma

1- Joint Venture

This model is one of the most powerful tools for being successful in today's competitive business atmosphere. Even the joint venture can create a separate business entity, to which the owners contribute assets, have equity, and agree on how this entity may be managed. The new entity may be a corporation, limited liability company, or partnership. Main advantages of this model is capturing an eye-catching market share along with income through leveraging the market by using abilities & relationships of the host company from the first entrance stage with the lowest risk & cost.

2- Strategic Alliance

Setting up a formal relationship & cooperation between two parties to meet a critical business need & make a synergy with maintaining both parties' independency. Each partner hopes that the benefits from the alliance will be greater than those from individual efforts. Main characteristics:

- High level of transparency between partners
- Common long-term strategy and goals
- Pooling/sharing ideas
- Increased business opportunities and reach

3- Franchise & licensing

1- License-In

Under license manufacturing of specific drugs' dossiers with the aim of own portfolio enhancement.

2- License-Out

We are working to expand our global strategic marketing partnerships for products developed-in house. In this regard, we are ready to grant our Know-How, Experts & Expertise.

4- Distribution Agreement

Mutual Co-operation in regard with Sales & Distribution of parties' products in order to market expansion.

We are ready to make a distribution contract with well-known international companies with an interesting & valuable portfolio. Vice-versa, we are looking for a strong international distributor or wholesaler who is authorized for working on our products.

5- Contract Manufacturing

When you choose us for Contract Manufacturing, you get so much more than a typical CMO engagement. Through the partnership, you gain integrated access to scientific expertise, High quality & unrivaled rates.
